

Please submit written interest with a cover letter and resume to careers@scripthealth.co, please review page 2 for compensation information.

About Us:

Script Health (<https://www.scripthealth.co>), a Public Benefit Corporation, is a secure pharmacy service that provides easy access to essential and life-saving medications to improve health equity. The company is [.Pharmacy certified](#) by the National Association Boards of Pharmacy. Script Health supporters include the Clinton Global Initiative, MIT, and the University of Chicago.

We are funded by angel investors and have a board of four advisors along with the support of MATTER healthcare incubator and the Polsky Center of Entrepreneurship at the University of Chicago.

Your Mission:

Script Health is at a critical point in our business model and our executive team needs a right-hand woman/man to refine our revenue and growth model, operations, and manage culture/team. You will:

- Develop and implement strategic initiatives for revenue generation
- Partner with the CEO to manage investor relationships and high impact partnership with healthcare organizations
- Shape the future of the company and its culture

Who You Are:

Think you have what it takes to join our team? We're looking for someone who can commit to a full-time engagement:

- Culture fit for our mission-driven company
- 8-10 years of business experience OR 4-year degree with 4+ years of work experience in business development, strategy, or operations at a fast-growing company
- Experienced in strategic planning and business development
- Comfortable in ambiguity and navigating unforeseen obstacles
- Self-directed and proactive thriving in a fast-paced environment
- Experience in healthcare, digital healthcare delivery, and/or early-stage companies preferred

We are in search of a VP of Strategy and Operations to oversee Script Health's ongoing operations, growth, and scalability. You will be the company's second-in-command and are responsible for building and scaling the revenue model and operations of the business.

Compensation & Location

The compensation for this position promotes equity-based incentives to the hired candidate. This position is full-time, located out of Chicago. The salary range for this position is \$65,000 to \$80,000 depending on the candidate's experience, with an opportunity for an immediate raise, and/or bonus based on meeting or exceeding fundraising goals.

Responsibilities

- Design and implement business growth and sustainability strategies
- Conduct fundraising and other expansion activities (investments, corporate alliances, etc.)
- Set comprehensive goals for performance and growth
- Assist in establishing policies that promote company culture and vision
- Oversee daily operations of the company and the work of executives (IT, Marketing, Sales, Finance, etc.)
- Lead employees to encourage maximum performance and dedication
- Manage relationships with partners/vendors

Required Skills:

- Aptitude in decision-making and problem-solving
- Proven management experience in a related role in a start-up
- Growth-company DNA: comfort with ambiguity, bias toward action, willingness to pitch in to get the job done
- Understanding business functions such as HR, Finance, marketing, legal, etc. and how they scale
- Working knowledge of data analysis and performance/operation metrics
- Outstanding organizational and leadership abilities
- Executive-level communication
